Dear _____,

I am writing you on behalf of Willmar Design Center, an organized group of committed volunteers working with each other and the City of Willmar to revitalize “*our downtown*”. Many of us have wonderful memories of our own downtown experiences. Whether they be entertainment, the arts, shopping, eating, worship or business, these experiences are vital to our community. We are dedicated to continue what we have begun with our investment of resources.

Your donation will help us meet our 2013 operating budget of \$60,900. Many business and community leaders are on board as well as scores of concerned individuals. Our community is excited and interested in seeing us succeed. You can be a part of this excitement by helping revitalize “*our downtown*” with a \$_____ donation. The Willmar Design Center is a nonprofit organization (501(c)6) business non-profit. We are happy to acknowledge your donation on our website and at our events. (unless you prefer otherwise)

I would like to thank you for considering this opportunity to partner with our organization for raising funds. If you have any questions regarding our organization, our budget, or our many important projects, please feel free to direct your questions to the address above or email us.

Thank you,

Willmar Design Center
